Vereinigte Hail Insurance
Germany

Österreichische Hagelversicherung, AT

The Austrian Hail Insurance was founded in 1946. In 1995 the portfolio was extended from crop hail insurance to multi-peril insurance, to insure apart from hail other risks such as drought, flood, storm, or frost. More than 2 million hectares of agricultural land are insured by the company in Austria and neighbouring countries, the Czech Republic, Slovakia, Slovenia, Hungary and Romania.
