

eoSCAN (December 2017)

Market Watch "at glance"

December 2017

Market

- ATX Seed Ventures leads \$3.25 Million Seed Round into Slingshot Aerospace to Use Satellite, Aircraft and Drone Data to Solve Geospatial Information Challenges
 - BalticSatApps Project Supports Commercialisation of Earth Observation Data in the Baltic Sea
 - Polish CloudFerro wins Copernicus DIAS
 - DigitalGlobe Transfers Entire Library to Amazon Web Services
 - Esri Signs Global Enterprise Agreement with Airbus Defence and Space
 - Earth observing CubeSats could soon help revolutionise weather forecasting
 - [Earth-i Preps For Launch Of Full-Color Video Sat Prototype](#)
 - Earth-i to use KSAT's ground stations to receive first commercial full-colour video from space
 - [ESA selects Airbus for Copernicus Data and Information Access Service](#)
 - How Earth Observation became Europe's "Silicon Valley"
 - ICIMOD, Radiant.Earth establish strategic cooperation to advance EO applications
 - Iceye Targets New Use Cases Beyond Ice Monitoring
 - ImageSat International & Terran Orbital announce plan to develop RUNNER™, a high performance, microsatellite to be used in constellation for earth observation and imaging
 - ImageSat and Terran Orbital to develop a high performance microsatellite
 - Kongsberg Ground Network Services to Support Earth-i's Prototype Satellite Launch
 - Matt O'Connell former CEO of Oneweb and GeoEye joins Seraphim as Partner
 - [MDA Secures Four Contracts from the Canadian Space Agency](#)
 - New business incubators will help space industry grow
 - Opportunities For Space-Oriented Businesses
 - Orange delivers cloud services for European Space Agency's **Earth observation** programme
 - PlanetObserver presents new imagery basemap of the United States and Mexico
 - Seraphim portfolio company Spire successfully raises a \$70m Series C Investment round
 - Serco to Develop Cloud Sharing Platform for ESA
 - SpaceX, Satellite Images and OneWeb - Year in Review
 - Terran Orbital to Build ISI's Earth Observation Microsatellite
 - UAE becomes official member of International Charter on Space and Major Disasters
 - UrtheCast and Beijing Space View Technology sign strategic cooperation agreement for the global distribution of their respective portfolio
 - [UrtheCast and SIIS sign agreement for the global distribution of their respective portfolios](#)
 - UrtheCast's Confident Subscribers Commit in Excess of C\$100 Million Revenue Backlog for UrtheDaily™ Constellation. UrtheCast Announces Committed Revenue Backlog for UrtheDaily Constellation
 - [Will URTHECAST CORPORATION \(OTCMKTS:LFDEF\) Run Out of Steam Soon? Short Interest is Up](#)
 - 21AT Signs Contract for UrtheCast Constellation Data
-
- Explore off-grid remote sensing power system industry forecasts to 2022
 - In a data-agnostic world, EO industry moves towards analytics as a service
 - Global Remote Sensing Off-grid Power Systems Market 2017
 - Global **Earth Observation** Satellite Market Size 2017 Boeing Defense, Space & Security, JSC
 - Global Remote Sensing Services Market 2017: Geo Sense, The Sanborn Map Company, Antrix ...
 - Global Small Satellites Market Anticipated to Reach \$10.10 Billion by 2021 at a CAGR of 31.9
 - Hyperspectral **Remote Sensing** Market Trends and Opportunities by Product Types and Application
 - Nanosatellite and Microsatellite Market to Reach \$3.4 Billion by 2022 – Due to Low Manufacturing
 - NSR Report: Military Satcom Favors Traditional Connectivity, but Emerging Technologies Remain on the Roadmap
 - [Satellite-Based Earth Observation: Market Prospects to 2026](#)
 - [SATELLITE VALUE CHAIN: THE SNAPSHOT](#)
 - [Satellites to be built & launched by 2026](#)

- Satellite-based EO 2017 Global Market Expected to Grow at CAGR 13.23% ... Satellite-based **EO** in US 2017 Global Market Expected to Grow at CAGR 9.37%
 - Sphera Funds Management LTD Has Lowered Glycomimetics (GLYC) Stake By \$5.01 Million; URTHECAST CORPORATION (LFDEF) Shorts Increased By 3.55%
 - UrtheCast Provides Corporate Update
 - What are the leading factors of **Earth Observation** Satellite Market? Know the important key drivers
 - 2017 Global Satellite Based **Earth Observation** Market: GeoOptics, eGEO and Deimos Imaging ...
-
- Copernicus Data and Information Access Services (DIAS) contracts signed with 4 industrial consortia
 - European Commission Awarded the 2017 Innovation Radar Prize to AEROARMS Innovation
 - Project wins grant to use big data in managing tree risk for power distribution
-
- A glimpse into what Copernicus did in 2017
 - Algeria's First Satellite is Launched by China

- After China's Belt and Road Initiative, a Space Initiative?
 - African Nations Are Sharing Data to Crack Down on Illegal Fishing
 - China makes 2017 memorable with launch of three EO satellites
 - China to host UN's 1st **geoinformation** meeting
 - China to promote space remote sensing development in 2018. China plans remote sensing satellites over South China Sea
 - European Space Agency Wants to Build Earth-Monitoring Drone Satellites
 - European Commission pleased with Copernicus program
 - Esri Technology Will Help Power the United Nations' New Global Data Hub
 - Eo 1 hyperion data
 - Fundamental Rethink for Galileo Commercial Service
 - Ghana seeks to host AU space centre
 - ICIMOD, RadiantEarth Cooperate to Advance Earth Observation
 - India developing small rocket to cash in on small-satellite boom
 - Indian Space Sector: The Year of Mixed Fortunes
 - ISRO: What cost to make coasts safe?
 - JAXA and VNSC Sign Cooperation Agreement
 - Luxembourg to invest in Spire
 - Luxembourg eyes Earth-observation satellite for military and government
 - NASA, University of Maryland Join Forces on Food Security
 - NASA Requests Info on **Earth Observation** Data Products
 - Planet to Assist Human Rights Watch with Satellite Imagery and Data
 - Peruvian Government: "Satellite investment recovered after first year of operations"
 - Romania and ESA sign ground segment cooperation for Sentinel data
 - SA teens to launch Africa's first private satellite
 - Satellites that can see through clouds will launch in January
 - Strategic cooperation agreement inked to advance SDGs
 - Sweden eyes small satellite market with expanded space center
 - "The Africa We Want" Not an Unrealistic Dream or Wish, Says AU's Ouattara
