

eoSCAN (February 2017)

Market Watch "at glance"

February 2017

Market

- [Bluesky and Bird.i join forces to widen access to aerial imagery](#)
- [DigitalGlobe Completes Testing and Calibration of WorldView-4](#)
- [DigitalGlobe, Esri, and Harris Corporation Partner to Bring the Power of Geospatial Big Data Analytics and Deep Learning Technology to ArcGIS Users](#)
- [DigitalGlobe Announces Launch of SecureWatch, Advancing Mission Preparedness and Success When Decisions Matter Most](#)
- [GAF AG And Partners Will Investigate The Future Evolution Of Copernicus Land Services Based On Sentinel Data](#)
- [GEOSYS Becomes Anchor Customer of UrtheDaily Constellation](#)
- [Google Said in Talks to Sell Skybox Satellite Business to Planet . A Planet-Terra Bella merger would make sense, industry watchers say](#)
- [Google Earth Enterprise is going Open Source.](#)
- [MDA in talks to buy DigitalGlobe; US DoD may play key role. Can MDA buy DigitalGlobe? What are the roadblocks?](#)
- [MDA announced on February 24 it would acquire American satellite imagery provider DigitalGlobe Inc for about C\\$3.10 billion](#)
- [MDA, DigitalGlobe Merger Prompts Johnson & Weaver Investigation](#)
- [MDA Announces Release of NATURALVUE 2.0](#)
- [PCI Geomatics Welcomes Advanced Groundwater Technologies to its Reseller Partner Network](#)
- [Planet Will Acquire Terra Bella, Signs Data Contract with Google](#)
- [Planet is set to launch the largest fleet of satellites in history](#)
- [Planetek Italia Joins Deimos Imaging Reseller Network](#)
- [SpaceKnow CEO: Why Economists Should Look to the Skies](#)
- [TCarta Marine and Proteus Geo Announce Merger to Provide Comprehensive Bathymetry and Marine Mapping Solutions](#)
- [The Purchase of DigitalGlobe is a Distinct Possibility... and MDA is the Suitor](#)
- [UrtheCast Enters into Binding Agreement Worth US\\$180 Million to Sell and Operate Two Satellites in the OptiSAR™ Constellation](#)
- [19.54% CAGR Growth For Small Satellites Market Forecasted During 2016 – 2021](#)
- [Agribusiness, GPS and Satellites](#)
- [Euroconsult Canada Analysis: The Fast, Evolving, Smallsats Climate](#)
- [European Satellite-based Earth Observation Market to grow at a CAGR of 15.65% during 2016-2020](#)
- [Global Geospatial Industry Outlook by Geospatial media](#)
- [Global Satellite-based Earth Observation Market to grow at a CAGR of 14.11% over the Period 2016-2020: Key vendors are MDA, Airbus Group, DigitalGlobe etc.](#)
- [Global Small Satellite Market Analysis and Forecast 2021 By Type, Application and End-Use](#)
- [Global Nano Satellite Market Size, Development Status, Type and Application, Segmentation, Forecast by 2022](#)
- [Hyperspectral Remote Sensing Market Growth Opportunities, Driving Factors, Key Players, and Analysis to– 2021](#)
- [Optical Remote Sensing of Land Surface by Research & Markets](#)
- [Satellite Communications & Broadcasting Markets Survey](#)
- [Satellites to be Built & Launched](#)
- [The Advancing Industry of Geoinformation](#)
- [Airbus to develop payload for first Franco-German Earth observation satellite](#)
- [Geoville and Sinergise win EU grant worth more than 1.1 MIO EUR](#)
- [MacDonald Dettwiler & Associates should expect competing bids for DigitalGlobe](#)
- [NOAA Awards Vencore with \\$113 Million Program to Support Space and Satellite Operations](#)
- [£1m investment to enhance University's Big Data offer to science and business](#)
- [A Euroconsult Canada Analysis: The Fast, Evolving, Smallsats Climate](#)
- [An NSR Analysis: Behind the Scenes of the Smallsat Revolution](#)
- [Britain Begins... Preparing Legislation to Launch Their Own Satellites \(Ultimate Do It Yourself\)](#)
- [China's hi-res SAR imaging satellite put into use](#)
- [Delivering The Globe: An Interview with KSAT and Astro Digital](#)
- [ESA affirms Open Access policy for images, videos and data](#)
- [EuroGeographics Enhances Open Data for 2017](#)
- [Expansion of South China Sea Imaging Capabilities](#)

- [Geoscience Australia, Lockheed Martin Begin Collaborative Research Project](#)
 - [Global Geospatial Industry Outlook Released at Geospatial World Forum 2017](#)
 - [Greek space agency](#)
 - [In ISRO's launch of 104 satellites next week, 88 will be from US](#)
 - [India to launch record 104 satellites next week](#)
 - [Italy, Russia working closely on Mars exploration, Earth monitoring satellites](#)
 - [ISRO creates history, launches 104 satellites in one go](#)
 - [JAXA President Monthly Press Conference January 2017](#)
-
- [Nasa SAGE \(Stratospheric Aerosol and Gas Experiment\) from the International Space Station](#)
