

eoSCAN (June 2018)

Market Watch "at glance"

June 2018

Market

- [Airbus and Planet join forces to bring new geospatial products to market](#)
 - [Airbus forms partnership to develop SCARBO](#)
 - [Airbus Inaugurates Space Academy for Customers](#)
 - [Airbus in collaboration with two launches sobloo — a Copernicus Data and Information Access](#)
 - [Airbus to provide an end-to-end Geo-Information System to Thailand](#)
 - [Atos announces satellite data platform Mundi is now live](#)
 - [DigitalGlobe Releases Commercial Version of Geospatial Big Data \(GBDX\) Notebooks](#)
 - [Esri Users to Receive Sentinel-2 Image Services For Free](#)
 - [Iceye CEO's Ambitious Plans After New Round of Funding](#)
 - [ImageSat International and MAGNUS Launching a Smart New Way to Manage Natural Disasters](#)
 - [Launch of sobloo - a Copernicus Data and Information Access Service \(DIAS\)](#)
 - [Maxar Technologies' DigitalGlobe Releases GBDX Notebooks Commercially, Further Accelerating Machine Learning Innovation](#)
 - [Maxar Technologies' SSL's Components Monitor Global Transformation in the Form of Water](#)
 - [NGA explores emerging geospatial tech in a deal with Planet](#)
 - [Need for Satellite-Based Earth Observation Accelerating with Increasing Demand from Public and Private Entities](#)
 - [Orbital Insight and e-GEOS Offer Disaster Relief Services to the U.S. Government](#)
-
- [Aerial Imaging Market to grow at 12% CAGR from 2018 to 2024](#)
 - [Beyond GEO Satellite Market Insights June 2018 covering Market Share, Market Concentration](#)
 - [China Satellite-based **Earth Observation** Market Supply, Size, Revenue and Forecast](#)
 - [Global Hyperspectral Remote Sensing Market 2018. Global Hyperspectral **Remote Sensing** Market Share 2018 . Global Hyperspectral **Remote Sensing** Market 2018 Share by 2023](#)
 - [Global MEO Satellite Market Research Report 2018](#)
 - [Global Satellite Based **Earth Observation** Market 2018 Growth Analysis](#)
 - [Global **Remote Sensing** Satellite Market 2018 by Emerging Technological Advancement](#)
 - [Global Satellite Manufacturing and Launch Market 2018-2023 Share and Outlook](#)
 - [Global Satellite-based **Earth Observation** Market 2018-2022](#)
 - [Hyperspectral Remote Sensing Market Sales Volume, Sales Price, Sales Revenue Analysis](#)
 - [London's trees may store as much carbon as a rainforest](#)
 - [MEO Satellite Market: Industry Analysis, Size, Share, Growth, Trends, and Forecasts 2018–2023](#)
 - [Nano and Micro Satellite Market Insights and Development by Technology 2018](#)
 - [Remote Sensing Satellite Industry Market Current and Future Industry Trends, 2018 – 2023](#)
 - [Satellite-based **Earth Observation** Market Global Industry Analysis 2017](#)
 - [Soil Moisture Sensor Market by Type, Application & Geography - Global Forecast to 2023](#)
 - [The Global Market for CubeSats Now Available at ResearchAndMarkets](#)
-
- [Airbus to provide an end-to-end **Geo-Information** system to Thailand](#)
 - [Altamira Technologies Awarded as Prime Contractor on NGA Janus Geography Contract](#)
 - [CGIAR to Use DigitalGlobe's Big Data Platform for Agriculture](#)
 - [GAF to provide consulting services for Water Resources Management Information System in Mozambique](#)
 - [Thales Alenia Space Chosen as Instrument Prime Contractor in A Copernicus Land Surface](#)
-
- [Australia to Open New Centre to Collect Earth's Data from Space](#)
 - [Baveno + 20 | Copernicus](#)
 - [China launches new-tech experiment twin satellites](#)
 - [Copernicus 20 years on](#)
 - [Cyprus gaining ground in space tech services](#)
 - [CSIRO announces **Earth Observation** centre. CSIRO Increases Space Capability with New Earth Observation Center](#)

- EU budget: A €16 billion Space Programme to boost EU space leadership beyond 2020 . [EU eyes 16-billion-euro space program for navigation systems, Earth observation, components](#)
 - [Europe's space industry to EU: Can we talk about your new space policy?](#)
 - Finland-Based SAR Data Company Closes \$34 Million in Financing
 - Germany Agrees to Lease Israeli-Made UAS
 - Global Remote Sensing Satellite Market 2018
 - India plans to use satellites to monitor air pollution
 - India's ISRO to Collaborate with Oman for Space Programme
 - [New booklet highlights UN-SPIDER advisory support activities](#)
 - [Pakistan to launch remote sensing satellite](#)
 - Remote Sensing Satellite Market Size, Share, Growth and Trends and Forecast 2017-2021
 - Satellite-based Earth Observation Market in Europe Market insightful analysis of current and future
 - Space: supporting intelligent decision-making in Australia
 - Thailand Set To Order THEOS-II [Earth Observation](#) Satellite From Airbus
 - [UAE Space Agency contributes to Sustainable Development Goals](#)
 - Ukraine, EU plan to develop cooperation under observation programme
 - Zimbabwe National Geo Spatial and Space Agency
 - [Zimbabwe: Can Satellite Technology Help Farmers Cope With Climate Change?](#)
-
- Drone Deploy Becomes Largest Drone Data Platform in the World with 30 Million Acres Mapped
 - Drones on the Horizon Transforming Africa's Agriculture
 - Drones Aid Precision Agriculture in Brazil
 - [European Commission Launches Open Call for the Copernicus Accelerator](#)
 - GSDI Association in Transition
 - GEOINT trends
 - Global Oil Spill Detection Service Market 2018
 - International Transport Forum (ITF) at the Organisation for Economic Cooperation & Development (OECD)
 - Influencing Factors for United States Nanosatellite Market
 - IoT Cloud Platform Market: Industry Size, Share, Growth, Applications and Forecast upto 2024
 - Nano Satellite Market by Types(Communications Satellite,Positioning Satellite), Application
 - Secure World Foundation and Partners Establish Consortium for Satellite Servicing Standards
 - Sentinels modernise Europe's agricultural policy
 - Seven new start-ups join MonacoTech
 - The soil moisture sensor market is projected to grow at a CAGR of 14.92% between 2018 and 2023
 - [The New World Space Powers: China & India](#)
 - The next corporate frontier
 - The Navigation System Market is Expected to Grow at CAGR of 1.7% and Reach a Volume of \$64.91 Million Units by 2023
 - The Pipeline Company in Thailand Applies SuperSurv to Improve Efficiency of Inspection and Management
 - (Un)Certain Skies? Drones in the World of Tomorrow
-
- [Co-Development of New Geospatial Solutions to Result from Airbus and Planet Partnership](#)
 - Decades of satellite monitoring reveal Antarctic ice loss
 - Detailed plans on show for proposed £75 million Space Park in Leicester
 - [Empowering Women In Geospatial Information Technology](#)
 - [FAO and Norway announces project to improve forest monitoring platform SEPAL](#)
 - GEOINT Trends That will Dominate Industry
 - How data processing from space can help save the earth
 - ImageSat International, Magnus Launch Disaster Management Service
 - Leidos Reports \$250M in NGA Analytics Orders
 - National Geographic Awards Innovators Combating Illegal Fishing
 - NASA is Looking for a Commercial Satellite to Host TEMPO
 - New algorithm fuses quality and quantity in satellite imagery
 - Population Census by TripleSat Constellation
 - Ramp-Up in Antarctic Ice Loss Speeds Sea-Level Rise
 - Researchers Use Satellite Imagery to Map Economic Inequality Among Indians
 - Satellite-based Earth Observation Market in Europe Market opportunities for new vendors in region
 - Space technologies to help improve environmental and living conditions at banks of the Ganges
 - Tools to better predict floods and droughts
 - UN postage stamps to mark 50 years of 'peaceful uses of outer space'
 - [Urban 'forests' can store almost as much carbon as tropical rainforests](#)
