EO in Action

This area provides a consolidated list of success stories contained within the EO Wiki. To find success stories linked to particular products or applications, go to the appropriate product page where the relevant success stories are listed. To view the success stories, go through the gallery below, or use the FILTERED LIST to search for specific use cases. Explore here.

EO Supporting the Sustainable Development Goals

This area provides a wide list of success stories categorized according to the United Nations Sustainable Development Goals (UN SDGs). This area allows interested EO user communities to identify EO applications based on the SDGs. The UN SDGs are at the heart of the UN 2030 Agenda for Sustainable Development, providing a blueprint for the people, planet, and its resources now and in the future. Find out more here.
